

## **WHATCOM COUNTY ADULT SOCCER ASSN Return to Play Protocols**

### *COVID 19 Safety Agreement for Players*

June 1, 2021

All WCASA league players must screen themselves before playing in any soccer game offered by WCASA. Please do not come to the soccer field to play or watch a game if you are experiencing any of the following.

- Fever (100.4 or higher) or chills within last 24 hours
- Cough, shortness of breath or difficulty breathing
- Sore throat, nasal congestion, or runny nose
- Recent loss of taste or smell
- Unusual muscle or body aches (flu-like symptoms)
- Headache
- Nausea, vomiting or diarrhea
- Unusual fatigue
- Been in contact with anyone with confirmed COVID 19 within last 7 days
- Tested positive for COVID 19 in the past 10 days or are awaiting results from a COVID 19 test

Masks must be worn coming and leaving the fields and when on the sidelines. Good idea to put a few extra in your soccer bag in case someone on your team forgets to bring one.
