

WCASA Team Procedures

(Revised 4/2014)

Note: The WCASA Team Procedures, Revised April 2014, is a companion document to the WCASA Laws of the Game. In addition to WCASA Team Procedures, the companion document identifies classes of infractions and penalties for the different classes. These two documents together will be used to facilitate and regulate the playing of WCASA league games.

Rules of Play

All WCASA league games will be played according to current F.I.F.A. laws with the exceptions or additions as noted in the WCASA Laws of the Game

Players

Each player of any WCASA league game must meet all of the following requirements:

- a) Be at least 18 years old
- b) Be rostered with the WCASA Administrator at least 48 hours prior to participation
- c) Hold a current WSSA player card

No visibly pregnant woman player will be allowed to play

Team Rosters

The maximum numbers of players on a roster is 28

Players must be age appropriate for the division that they are playing in.

Team Managers are to provide the following information to the WCASA Administrator:

Full name, address, phone number, email address and date of birth of all players

All deletions and additions to a team roster must be in writing - via email preferred - include name, address, phone number, email address and date of birth.

A player may only play on one team within a division/day of play (e.g. winter coed > 30 Div 1 / Div 2)

Any player changing teams must be deleted from their former team before they may be added to a new team. The former team's name must be provided to the administrator.

Responsibility for providing this information to the administrator lies SOLELY with the team and failure to comply with any of the above requirements may cause implementations of penalties.

A team found to have played an unregistered, fraudulently registered, suspended or otherwise ineligible player shall forfeit the game or games. Said player & team manager may be penalized for a period to be determined by the WCASA Board.

Any team manager, team, or player which is found to have willfully and/or consistently violated the playing rules of WCASA may be suspended from participation in all WCASA activities for a period to be determined by the WCASA Board.

In the event of WCASA receiving a report of a team, coach, or player failing to comply with the concepts of Sportsmanship and Fair Play, the WCASA Board of Directors shall investigate. If the allegations are found to have merit, the board may levy penalties over and above those penalties that may have been otherwise applicable.

Game Day Procedures

FORFEITED GAMES (LESS THAN 24 HOURS NOTICE GIVEN TO ADMINISTRATOR) MAY BE SUBJECT TO MONETARY PENALTY.

Teams that are unable to play a match must provide 24 hours notice of a forfeit by contacting the WCASA Administrator at office@whatcomadultsoccer.com or are possibly subject to a fine consisting of the cost of one game per team fee paid (team fee for season/number of games in season). The fine will be paid by the team manager prior to the start of the team's next game. An appeal of the fine may be made to the WCASA Board at its next regularly scheduled meeting. If the fine is reversed, the fee will be returned to the team manager."

All teams are encouraged to be at the field at least 15 minutes prior to kick-off to allow for a timely start.

Present the referee with a current preprinted Game Report prior to the game. Players may not be hand added to the roster. No exceptions.

All players are to surrender their current WSASA Player Card to the referee prior to the game.

Players not able to provide a current WSASA Player Card will not be permitted to play. No exceptions.

Failure to comply with ALL the above requirements may cause the implementation of penalties.

At the conclusion of the game, the referee will return all WSASA Player Cards less any retained due to a red card offense. WCASA Administration will return these cards before the player's next scheduled game that he/she can play in.

In the event of a lopsided game, at the agreement of both teams, at or after the half time; with the score at that time remaining the official score, teams can then re-organize and continue as a regulation game.

Referees

1. Any complaint or comment regarding a referees ability, demeanor, or appearance shall be addressed to: Referee Assignor, WCASA PO Box 29716 Bellingham WA 98228 or email office@whatcomadultsoccer.com

2. A protest can only be made for a misappropriate rule call, not for judgment. To protest a match, a team must first notify the referee, so they can note the protest on the game report. The protest then must be filed by the team manager, in writing and received within 72 hours of the game being protested. The protest should be sent to the Judicial Chairperson, c/o WCASA, P.O. Box 29716, Bellingham, WA 98228. The Judicial Chair should also be informed by email office@whatcomadultsoccer.com and/or telephone of the protest.
3. For games with no-show referee, options are to:
 - a. Play without a referee.
 - b. Choose not to play at all. Game will be scored as a 0-0 tie.

If teams choose to play the game, all WCASA league rules apply. Rosters must be presented to opposing team and cards checked. Game reports are turned in. No game will be rescheduled due to a no-show referee. Referee fees will be refunded regardless of whether the game is played.

League Standings

For league standing purposes, 3 points will be awarded for a win, 1 point for each team will be awarded for a tie and 0 points will be awarded for a loss. The team with the most points at the end of the season will be awarded as division champion. In the event of a tie, the following criteria will be used.

A first-place standing may be forfeited by any team that doesn't field a team or doesn't show up for the last game of the season. This decision would be made at the discretion of the board.

2. Least goals against
3. Most goals for

If there are extenuating circumstances and the player feels that a contest of issuance of a red card, the player may appeal to the Judicial Committee. All appeals submitted to WCASA must be in writing and accompanied by a fee of \$25 and be postmarked within 48 hours of notification of said decision.

WSSA Player card will be returned to players after the required suspension period has been served. The Administrator will make arrangements to have the suspended player's card returned via the WCASA clear drop box at the P66 Soccer Park.

Red cards issued at the end of the season for actions listed in the Physical-Intentional Classes may result in suspension of play in subsequent seasons, dependant on the seriousness of the infraction.

The issuance of more than one (1) red card per season per player will result in the player appearing before a WCASA Judicial committee to determine the penalty.

If a player receives three (3) yellow cards in one season, then that player will receive a one-week suspension after receiving the 3rd yellow card.

Repeated violation by a team may result in the team manager being called before a Judicial Board to determine if expulsion of the team is appropriate.
